

Trinity County Resource Conservation District Conservation Fund

The Trinity County Resource Conservation District Fund was established in 2007 in association with the Trinity Trust and with the Humboldt Area Foundation. The purpose of this fund is to support the mission and ongoing work of the Trinity County Resource Conservation District. This fund can help the District with a meaningful way to invest in local conservation of our natural resources. Tax deductible donations to this fund can help the District extend its programs and increase effectiveness.

Donors can create an enduring legacy that perpetuates a commitment to conservation by supporting the RCD Fund through a gift in one's will. Please give thought to this new opportunity for contributions to community-based conservation programs through the District's Conservation Fund. The following are some examples of projects that your donation would help support:

Watershed Restoration

Weaverville Community Forest

Forest Health-Fuels Reduction

Weaverville Basin Trail System

Environmental Education Camp

Biomass Utilization
